Innovative Design
Advanced Technology
Enhanced Security

01 User-friendly Accessibility

User Access Code

RFID Card

RF Key Tag

Mechanical Override Key

02 Random Security Code Feature

User access code will be pressed after pressing two random numbers, preventing intruders from checking the fingerprint marks left.

2 random numbers appear before entering user access code

Press the user access code

Impossible to guess user access code due to random fingerprint marks

03 Safety & Convenience

Touch pad screen

With the wide touch screen, not only the design becomes more modern and stylish, but the touch feel on entering the user access code is improved.

Automatic locking

Automatic locking

The automatic locking feature eliminates the need to re-check for the door lock when you go out. Feel at ease when you go out and keep your home safe.

Double authentication

Double authentication

The double authentication mode strengthens security. User access code plus card must be authenticated to open the door(Optional).

Anti-theft mode

Anti-theft mode

When leaving, the user can set up the anti-theft mode by simply pressing the button, preventing tampering by creating a warning sound.

9V battery back up

9V battery back-up

When batteries are discharged, put 9V battery to back-up power.

Replacing alarm

Low battery warning signal

A beep sound during door access will alert you to replace batteries.

Interior Body Structure

Open/Close button

Manual switch

Battery cover

Model	SHS-H635 / SHS-6020
User access code	5~12 Digit number combination
Key type	Smart card (13.56MHz RF chip/A Type) User access code
User capacity (Maximum)	1 (User access code) 20 (RF card/ Key tag)
Door thickness	Applicable 40~60mm (Max. 80mm, Option)
Material	Aluminium, Polycarbonate+Glass fiber, and acrylate
Humidity	20% ~ 80%
Power	DC 6V (AA Alkaline batteries) x 8pcs
Battery life	Approximately 12 months (average -10 times per day)
Product size	Exterior Body: 81 x 306 x 64mm (W x M x D) Interior Body: 79 x 290 x 80mm (W x M x D)
Color	Silver, Black
Lockset	Mortise type
